OCTOBER 2007

Thoughts from the East

From the East:

We will have a Enter Apprentice Degree this coming month. Also we had one Affiliation. This Past September Stated Meeting we had a visit from Illustrious Thomas E. Payne, Sovereign Grand Inspector General in New Mexico. I went to Tularosa Lodge #49 this past week to their Stated Meeting . It was an enjoyable evening . This coming month October 24th, We will celebrate our Past Master's Night, I will plan for a dinner and invite all Past Masters and Wife's to attend. M.: W.: Arthur Tunnell Our Grand Master will be here for the

Herman L. Price
Worshipful Master

May the Lord grant each of you many more birthdays and Masonic Anniversaries.

A Mason and a Man

(Author Unknown)

Brother, Masonry means much more
Than the wearing of a pin,
Or carrying a paid-up dues receipt
So that the Lodge will let you in.

You can wear an emblem on your coat,
From your finger flash a ring,
But if you are not sincere at heart
This doesn't mean a thing.
It is merely an outward sign
To show the world that you belong
To that great fraternal brotherhood
That teaches right from wrong.
What really counts lies buried deep
Within the human breast,
'Til Masonic teaching brings it out
And puts it to the test.
If you practice out of Lodge
The things you learn within,
Be just and upright to yourself
And to your fellow men.
Console a brother when he's sick,
Assist him when in need,
Without a thought of personal reward
For any act or deed.
Walk and act in such a way
The world without will see,
That only the best can meet the test
Laid down by Masonry.
Be always faithful to your trust
And do the best you can,
Then you can proudly tell the world
You're a Mason and a man.

Charles Biggs
Junior Warden
Sacramento Lodge #24

FROM THE SOUTH

I would rather see a Mason, than to hear one any day;
I would rather one walk with me, than merely show me
the way.

The eye's a better pupil, and more willing than the ear;
Fine counsel is confusing, but examples are always clear.

And the best of all Masons, are the men who live their
creeds;
For to see the good in action, is what everyone needs.

I can soon learn how to do it, if you'll let me see it done;
I can watch your hands in action, but your tongue too fast
may run.

And the lectures you deliver, may be wise and true;
But I'd rather get my lesson, by observing what you do.

For I may misunderstand you, and the high advice you
give;
But there's no misunderstanding, how you act and live.

Sarge

White Sands Shrine Club

I wish to take this opportunity to thank each and everyone of you who made our installation of officers and initiation of candidates a great success. A special thanks to the ladies who put so much effort into the lunch which by the way was excellent. Also, thank you Tularosa Lodge for permitting the White Sands Shrine Club to use your beautiful facility.

Don't forget, our stated meeting in October which will be on Wednesday the 3rd at 1:00 PM. Again we will meet at the Desert Lakes Golf Course 19th hole. Lunch will be off of the menu. Please make every effort to attend as it is now time to start really planning the future direction of the club.

Bill Beckett, President

From the Secretary's Desk

Delmar Sanders
Secretary
Sacramento Lodge

Brethren,

Hi! Our topic this month is “Architecture!”

Symbol of the foundation of Masonry which is a speculative science derived from an operative art..

Operative Freemasons were principally concerned in the erection of edifices for public use. cathedrals, churches monasteries, castles for the feudal lords, etc. Inasmuch as all these structures required a deep knowledge of many arts, architecture survives in Speculative Masonry as a symbol for the need of knowledge and skill in all undertakings.

The whole internal structure of Freemasonry’s ritual is permeated within and built around matters of architecture and of building, not used for their original purposes , but for ‘the more noble and glorious purpose’ of setting forth some principal of life, some philosophy, some aspect of character making.

Buildings are the ‘documents in stone’ of men, civilizations, even races, which have long perished from the earth. Freemasonry’s use of architecture as a foundation of symbol also has reference to a need for a study of history to round out the liberal education otherwise taught in the Fellowcraft “Degree.

The five orders of architecture are a flotsam which has been wafted to us down the stream of time from that remote period when Freemasonry was an organization of operative Masons. Mackey considered only the first three as symbols; other authorities believe that all five are included in the winding stair teachings to fix the attention of the initiate on the importance of architecture in general

and solid building in particular, as components of a liberal education. (From “Encyclopedia of Masonic Symbols”)

Brethren, don’t forget that this month is “Past Master Night. This is the night when we all honor the Past Masters, so be sure to attend with your family and any possible candidates. All we ask is that you notify the Secretary at 437-4038 or 437-2521 as to how many you are bringing by October 10th. This is to insure that the caterers have enough food for all. Dinner is at 6:30 P.M. and we will open lodge about 7:30 P.M.

Most Worshipful Brother Arthur Tunnell , Grand Master of Masons in New Mexico, will be present and we also expect other notables. It should be a very memorable night.

Your Secretary ,*Delmar A. Sanders.*

If you find that life is flat,
Full of this with none of that,

Try Giving!

Introspection makes if flatter;
A few more years — what will it matter?

Try Giving!

If the world is dark and bitter;
Things all tend to make a quitter —

Try giving!

Forget yourself in helping others;
Know that all men are your brothers,
You will see then life is sweeter
Than you thought, and far more completer —
When you give!

Margaret Gordon Kuhlman
